K-2ND GRADERS!

2021-2022

WELCOME,
CLOVERBUDS!

WHAT IS A CLOVEBUD/KID?

It is a program designed to provide youth in grades K – 2 with a variety of educational and recreational experiences.

It is the officially recognized 4-H program in Milam County for K-2nd graders!

WHAT CAN CLOVERBUDS DO?

Cloverbuds attend 4-H Club meetings just like 4-H members. In 4-H, our slogan is "Learn by Doing" and Cloverbuds are always learning by doing! While Cloverbuds cannot do everything 4-H members can, they still learn new and fun things about....

Pets, Plants, Food and Nutrition, Crafts, Photography, Safety, and Many More!!!

Cloverbuds can do as much as 4-H members but are limited to County 4-H activities and competitions only. Some County 4-H events are also limited to only 4-H members 3rd-12th grade! If you ever have a question, just ask! This year, Milam County 4-H Cloverbuds will meet virtually each month and learn a new 4-H project or participate in a new activity! All you have to do is sign up on 4-H ONLINE and register for the clover kids project under projects.

BONUS:

If you belong to the Cameron 4-H Club, during the Cameron 4-H Club Meetings, we will meet and do hands on activities and learn about 4-H!

DOES IT COST ANYTHING TO JOIN 4-H?

Cloverbuds will sign up on-line just like the other 4-H members, but there is no charge from the state for their enrollment.

“ CAN PARENTS,
GRANDPARENTS, OR GUARDIANS BE INVOLVED? ”

YES!! Everyone can volunteer! Whether it's making food for a meeting, driving members to activities, or becoming a Cloverbuds leader, there is always room for everyone in a child's life to become involved.

4-H volunteers will need to sign up on 4-HONLINE too. It is only \$10 a year to join! If you think you will want to lead, go ahead and sign up!

DURING CLOVERBUDS MEETINGS, WE DO
EXPECT ALL PARENTS/GUARDIANS TO BE
PRESENT TO HELP WITH THEIR CHILDREN'S OR
GROUP LEADER'S NEEDS.
