**Question:** Does my camper have to be a 4H member?

**Answer:** No, your camper does not have to be a 4H member to attend camp. We accept everyone at camp.

**Question:** Will my camper need money at camp?

**Answer:** That option is up to the parent/guardian. However, there are opportunities to purchase snacks, camp swag and Dippin' Dots.

**Question:** Will my camper room with my county?

**Answer:** Campers will only be roomed with their county for our county camps. We make a conscious effort to group campers by appropriate age within a year age gap up or down.

**Question:** My camper wants to room with a friend, how do I make this happen?

**Answer:** We understand that your camper wants to bring friends and room with them during camp. For the 2023-2024 camp season we will not be accepting roommate requests. This is not to deter campers from bringing friends, but to encourage the making of **NEW** friends at camp.

# Camper FAQs

**Question:** My first-year camper and their sibling is about to age out of camping eligibility. Can my 8yr old room with my 13yr. old?

**Answer:** No. Siblings that fall into the one-to-two-year age range will be accommodated at parent request. To keep an appropriate age range in the dorms anything outside of the one-to-two-year age range will be grouped within their appropriate age range. Special circumstances will be considered by Program Director.

**Question:** My camper is a picky eater/ has several food allergies. Will they have food available that they can eat?

**Answer:** Yes. There is dietary restrictions tab on the registration. Please list all picky tendencies and food allergies here and your camper will be accommodated appropriately.
